

REQUEST FOR SEALED BIDS FOR HP WORKSTATIONS
LOWNDES COUNTY SCHOOLS

The Lowndes County Schools System is soliciting sealed bids for 28 HP Z2 Mini G3 Workstations, 28 HP Z2 mini mounting bracket 2DW52AA, 1 HP Z4 Workstation, 29 HP Z27n G2 27-inch Display. Vendor must be an HP authorized reseller—no grey marker products. All items must be meet specifications listed in this document.

Sealed, written bids must be received by the school system at the time and place specified. Neither dating of the bid nor placing in mail by this date will meet requirements. Bids must be received on or before date and time stated. The school system reserves the right to reject any and all bids, to waive any and all formalities, and to accept the bid or bids that in its judgment will be in the best interest of the system.

These bids will be evaluated by the Technology Department of the Lowndes County Schools. The department will make a recommendation to the superintendent as to which bid best meet the needs of our schools and which best satisfy the requirements detailed in this document. While price is an important consideration, it will not be the sole determining factor in the selection of a solution. Quality, warranty, and support are other very important considerations. An established history in the education market, past satisfactory experience in the Lowndes County Schools System, positive evaluations by schools submitted as references, product evaluations from web and print resources, and comparison of the vendors' warranty/service proposals will contribute to the selection of the solution.

Questions and/or requests for additional information should be addressed to Al Rowell, Director of Technology, alrowell@lowndes.k12.ga.us
